Expected 1084 S-corp cash flow (this shareholder, before liquidity)

55,400

- Suggested monthly · not underwritten: \$4,617 · Ordinary alone / 12 = \$4,000
- W-2 from Harbor Studio Inc \$36,000 is wage income. Do not add it again inside the K-1 cash flow.
- v1 Fox may propose Box 1 ordinary / 12 only. Label: Ordinary is not confirmed cash flow.
 - Full 1084 multiplies business adjustments by ownership (already done here at 100%).
 - S-corp W-2 is a separate Employment row if used. Combined = W-2 method + K-1 method, both named.
 - Distributions support liquidity later. They are not qualifying income.
 - Filbert is residence / entity mail, not automatically the subject property.
 - Confirm before write.
