PART I · rental real estate · one property			
A	Address	210 Sanchez Street, San Francisco, CA 94114	
A	Type	2-4 residential · 2 units	
3	Rents received	42,000	
5-18	Cash expenses (ex-depreciation)	11,400	
18	Depreciation	6,200	non-cash
21	Taxable rental income (loss)	24,400	

ONYX net rental v1.5.1: 75% of rents received, then minus subject PITI when this is the subject.
This fixture is other rental, not the Clipper purchase. $75\% \times 42,000 = 31,500$ annual before that property's PITI.

PART II · income from partnerships and S corporations (K-1 carry)			
E	Bay Street Partners LLC · 1065	ordinary see K-1	do not double
F	Harbor Studio Inc · 1120S	ordinary see K-1	do not double

- Classify as Schedule E. Do not treat Part II totals as a second K-1.
- Sanchez is other real estate. Clipper / Filbert stay on their own rows.
- Suggested rental cash flow only on 2-4 or investment occupancy when that property is in play.
- Confirm before write. Positive = income. Negative after PITI = liability.
